

# What is Terrific Kids?

The Terrific Kids Program is a student recognition program that promotes character development, self-esteem, and perseverance. Students work with their classroom teacher and establish goals to improve behavior, peer relationships, attendance, or schoolwork.

Students are honored after achieving their goal at the end of a specified time period.

## The program is successful because:

- ★ Students learn to set and achieve goals.
- ★ Students compete with themselves, not other students in class.
- ★ Students receive positive recognition for an achievement they took part in selecting.
- ★ The program can be adapted to suit the needs of the school or organization.
