EMERGENCY PLANS/NATURAL DISASTERS

In the event of a natural disaster or other emergency which jeopardizes the safety of citizens, the Board of Education will assist and cooperate with the RCMP, Fire Marshalls, Coordinators of Emergency Programs, or other authorities responding to such an emergency.

The Board contemplates that its facilities may be required for accommodating and feeding people and that its buses may be required for transportation.

The Superintendent, Secretary-Treasurer and Director of Facilities are authorized to make arrangements for the use of these resources where necessary.
